PLURAL Vessel Sink

#1303 | 17 3/4" x 14" x 5 3/8"

Designed in collaboration with Milan-based American designer, Terri Pecora. Inspired by the heritage of communal bathing spaces and rituals, the award-winning Plural collection presents the bathroom as an informal living space, making it the new heart of the home. Organic-shaped design elements can be used in multiple combinations to form a personalised intimate setting, while a neutral colour palette and American Walnut wood finish bring a sense of warmth and domesticity.
