

#1280-GR Shown

Flow Vessel Sink

#1280 | 15 3/8" x 15 3/8" x 5 1/8"

FLOW represents the next generation in bathroom ceramics technology. Applying the latest innovations, we have been able to present a sink with an exceptionally thin rim profile and hard glazing in both white and graphite.

The simple geometric shape of the FLOW Vessel Sink highlights the elegant rim and materials innovation.

Cheviot Products vitreous china lavatories are finely crafted for outstanding beauty and practicality. Fired onto each sink is a fine glaze of powdered glass to ensure a lifetime of durability, ease of cleaning, and resistance to bacteria and other microbes.

Construction

Vitreous China Construction

Drillings

No Faucet Holes

No overflow hole. #5297

Umbrella Drain must be used.

Colours

White, Graphite
